## Club Notes

Thanks to Don Bennett for agreeing to be President for next year, and to all the officers who have agreed to continue on in their respective roles next year: Mike Bach, Scott Cummings, and John Armstrong.

Your editor has had another almost month without Internet. Finally the internet provider provided a complete replacement of all their equipment and I am back on the Internet. It's been a struggle.

Amateur exam schedules for next year have not been announced yet. Normally we get the announcements after the start of the new year. Usually SOARC holds 4 exams per year in Grants Pass, and RVARC 3 or 4 per year in Medford. We are grateful to the vol-

unteer examiners in our region for all the effort they put into conducting these important tests.

Pat has an interesting program lined up for us this month. Larry has fabricates some useful ham-radio related parts on his 3d printer. It should be fun to see what is possible.

## RVARC Email List

RVARC maintains a private closed email reflector for members and friends.

An email sent to the reflector will be sent to everyone else subscribed to the list.

You can also browse past messages and create new messages from the web interface if that is more convenient.

Several folks have been sent invitations, but they have expired unused.

If you are not on the list, send an email to our club webmaster, Tom, N5EG (address on the front page) and he will have googlegroups send you an invitation.

## Secretary's Report, Continued

*(Continued from page 1)*

The recent swap meet had about 20 attendees.

The December Meeting presentation may be about 3D-printing related to ham radio.

Scott, NA7OM, made a motion to recognize Amy, AG7GP, for her SOTA work, possibly giving a presentation at the January meeting, and another motion that the secretary compose a letter of appreciation to the MPD, before the end of the year, for their providing the meeting room.

7:22pm Scott Rosenfeld, N7JI, of the Willamette Valley DX Club, [WVDXC.ORG](http://WVDXC.ORG), gave tonight's presentation remotely from Eugene. The club has been 60 years running the 7th area QSL Bureau. The club's callsigns include W7RM.

7:55pm end presentation  
8pm meeting adjourned.

## This Month's Program
